The screenshot shows the Assisi Foundation of Memphis website. The top navigation bar includes the logo on the left, followed by links for Home, Applications, Awards, and Requirements. The 'Applications' and 'Requirements' links are highlighted in yellow. To the right of the navigation is a search bar and user icons. The main content area features a large banner with a background image of people working at computers. The banner text reads: 'The Assisi Foundation of Memphis serves nonprofit organizations that work to improve Memphis and the MidSouth. Effective philanthropy done well.' Below this is a button labeled 'Start a new application'. At the bottom of the banner area, there are two paragraphs of text: 'Starting a new application? Find the instructions [here](#) and, when you are ready, click the **Start a New Application** button above. New applicants will need a signed certification document which is available [here](#).' and 'Continuing an existing application? Click on the **Applications** tab at the top of the screen to return to your in-progress application.'
